Summary of Recommendations:

- The Risk Assessment does not cover payments made by BACS. The process and any associated risks should be documented and reviewed within the risk assessment document. It is understood that this review has been delayed by Covid.
- The Council should set a General Reserve Policy, setting a general reserve of between three and twelve months revenue expenditure depending on the size of the Council. Guidance is available at item 5.32 of the Practitioners Guide 2020.

Observations:

The Council has reduced its reliance on balancing budgets with the use of reserves, dropping this down to £1,000 for the 2021/22 budget. A balanced budget should be possible for 2022/23.

The Council met four times in the calendar year 2020, meeting its statutory obligations. At the time of the audit the Council had not yet met, and should be mindful that in addition to the May Annual Meeting, another three meetings should take place before the end of December 2021. The Council must meet at least every six months to ensure that councillors are not automatically disqualified for failure to attend.

I would like to thank the Clerk for a well presented set of accounts and audit documents.
